WINTER COCKTAILS

RUM OLD FASHIONED

A seasonal twist on the classic, we use Mount Gay XO rum to achieve a richer taste that's perfect for colder evenings. £7.50

GINGER NEGRONI

Can't bear to part with your Negroni even in the winter months? Give this a try, we've swapped the gin for King's Ginger to give it a real kick! £7.50

BOULEVARDIER

Feeling adventurous? Try our Boulevardier which uses Bulleit Bourbon for a darker taste and look. Lovely! £7.50

WINTER ESPRESSO MARTINI

Perfect all year round but why not sweeten it up with a dash of Frangelico or Mozart to really keep you warm on a cold night. £7.50

COGNAC FRENCH 75

Another classic made more seasonally appropriate with the addition of Courvoisier, it's mixed with lemon and sugar, and then topped with Prosecco. £7.50

HOT DRINKS

BOOZY HOT CHOCOLATE

Add a spirit of your choice to our homemade chocolate ganache. We recommend starting with either Chambord for a deliciously fruity treat or Licor 43 for a luxurious vanilla taste. £6.00

MULLED WINE

A glass of our homemade mulled wine. Perfect to take with you to watch a film or to keep you warm outside! £5.00
