ABOUT US

Tyneside Cinema is the North East's leading independent cinema and digital arts venue located in the heart of Newcastle upon Tyne where it provides a welcoming space for people from all walks of life to come together. Our venue offers four screens, displaying a vast programme of films from all over the world; an award-winning learning programme which creates space for young people and adults to develop their skills and gives artists space to practice their craft; and three public bar, dining and café spaces which offer a place for film and food lovers to socialise.

Tyneside Cinema is a community, with film at the heart of everything we do. We believe in the power of film to facilitate empathy; as a way to challenge and transport us through the stories of lives we haven't led, into places we've never been. In the setting of our beautiful 1930's newsreel theatre, we hope to create a space that reflects this potential in film to engage and relate new ideas, experiences and stories.
