ABOUT TYNESIDE CINEMA

Tyneside Cinema is located in Newcastle City Centre, in a beautiful art-deco building. We show great films from the UK and around the world. We offer a mix of films and events so everyone can learn, share, and explore stories in different ways—whether you're watching a movie, having a bite to eat in the café, hanging out with friends, or attending an event with us.

We host all kind of events - from Q&A's with film directors, to film marathons, arts workshops and even have our own Talent Unit space to develop the next generation of filmmakers.

WHAT TO EXPECT

We want to give you a flavour of what it feels like to work at Tyneside Cinema. Across the week you will work with our team to shadow, complete tasks and learn skills in;

- Guest experience: learning how our team look after our guests, care for our old building and ensure the cinema runs smoothly each day
- Events: supporting with delivery and designing your own film-based event
- Projection: see our film projectionist in action
- Heritage: learn more about our cinema's rich history through our archive of materials
- Marketing: become a consultant for the day to evaluate our guest journey and help with creating content for our social media channels
